Prayer for Preparation and Support of the Upcoming Search Process

Lord our God - Father, Son, and Holy Spirit – be present with our search committee, our vestry, and our congregation in the search and selection of a rector for Christ Church. With Your sacred presence, give us the wisdom, discernment and judgment to make the proper call of a priest and pastor to serve the many needs of our congregation and to continue faithfully your ministry at Christ Church. Amen.

Please be involved in the search process by saying this prayer daily.

Fr. Vince's Biblical Limerick Corner

"Shema" –Deuteronomy 6:4-5
 The "Shema" is Israel's creed.
 Love alone does our spirit feed.
 If we give God our whole
 In mind, heart, and soul,
 He will meet every deep –seeded need.

Notes of Thanks

A special thanks to the folks who sent in stamps and checks for the mailing of the E-Notices. This was so appreciated and it helps so very much.

Also, a big thank you to those who sent checks made payable to Nevada Energy. We also thank Arts & Crafts and the Master Singers for generous donations toward our summer energy bills. Every bit helps during these hot summer months. For those of you who feel called to help in this special way, we, your Clergy, Wardens, Vestry, and Staff send you their heartfelt thanks.

Service of Saints Needed for the Altar Guild

You! Yes, you! You are needed to help the understaffed groups who alternate in the preparations for our expanded Sunday morning worship schedule of three services being offered in the main church at 7:45am, 9:15am and 10:45am. There is also a 6:30pm service which needs to be staffed.

Padre Bernardo Iniesta has faithfully brought an amazing number of new members to worship here and it is certain the new members he has brought will eventually want to be full participants in service to their church - just as you do! But, for now - you saints are needed to spread the work load.

I hear you saying - but--- but--- I wouldn't know what to do. Never fear, a member of the altar guild is here! Just offer your services and let the training begin.

Servicing the altar, the silver, the candles, and the linens is another opportunity to show God the steps you are willing to take to be in his presence. It's a ministry equivalent to preaching, celebrating, singing, reading, ushering, teaching Sunday school, lighting the candles, carrying the cross, and has undreamed-of-rewards on the path of this life to the next. Like maybe getting a bigger pair wings because you deserve them!!!

Please contact the church office, Sharon Rogers or Jane McKelvie if you are interested.

From your Senior Warden

Bugs, Bugs, Bugs everywhere!

Something is bugging me. If you noticed, there seems to be a higher number of cock roaches napping around the church property. Napping bugs are good bugs and it means the spraying on the property is working. Las Vegas was blessed with a mild winter and a temperate spring. Everyone that I have talked to has marveled about our good fortune to live in such a marvelous climate. The downside to this is it provided a perfect breeding ground for our six legged "friends." So bear with us during this invasion. We are spraying and cleaning, cleaning and spraying, and trying to keep the napping roaches swept up and out of sight.

Search Process!

Close to 50 of us Christ Church members participated in our second meeting for congregational story-telling Thursday evening, June 10th. We enjoyed a turkey dinner with all the fixings, followed by a discussion led by our consultant Ann Hallisey. We looked at patterns within our parish history (very interesting!) to discover how in the future we can avoid past mistakes and build on our many successes. This process is helping us to identify the congregation we want to be, and it will help us wisely choose a new rector to lead us to that place.

Watch soon for information regarding the Congregational Assessment Tool (CAT). This is a survey form we hope every member will fill out to help us create a picture of our congregation and develop the characteristics we are looking for in our new leader.

After the summer is over and folks have returned from summer vacations, there will be a congregational retreat. This retreat will accentuate the positive and help us finalize our vision of the future based on our best experiences of the past. Dates to be announced
