Prayer for Preparation and Support of the Upcoming Search Process

Lord our God - Father, Son, and Holy Spirit – be present with our Planning Group, our Vestry, and our Congregation in the search and selection of a rector for Christ Church. With Your sacred presence, give us the wisdom, discernment and judgment to make the proper call of a priest and pastor to serve the many needs of our congregation and to continue faithfully your ministry at Christ Church. Amen.

Please be involved in the search process by saying this prayer daily.

Whether God is hidden or in sight,
 He walks with us day and night.
 Faith alone is our guide
 On journeys narrow or wide,
 And the desert Israelites teach us just right.

Special Needs of Christ Church

We really appreciate those of you who have “kicked in” a little extra to offset the summer utility bills. Your generosity has helped immensely. **We are still operating in the red for the year**, so if you are able..... Two unbudgeted expenditures came up last week. \$385.00 was needed by the Altar Guild for candle repairs and supplies. The controller board for our telephone system also failed and cost \$989.00 for a replacement board. The Altar Guild expenditure is being covered by a donor and \$500.00 toward the Telephone System repair has been committed. A new uninterruptable power supply / surge suppressor has also been donated to help protect the Telephone System controller board. This leaves us short and an extra \$489.00 over budget. If you feel inclined to help, please make a donation designated for the phone system repairs. If more than \$489.00 is received, the remaining amount will be applied to our electric utility bill.

We Need Your Ideas

We need your ideas for fund raising events. As you all know, the economy is not springing back as quickly as we would like. Because of this, pledges are down this year, and those who have pledged are not always able to meet their commitment. The same goes for the Alleluia Centennial Capital Campaign pledges which pays for the organ and the improvements made to our church. We have been talking to some other charitable organizations, who are also suffering in this economy, about using our beautiful facility and our wonderful new organ to “partner up” with us and sponsor fund raisers that would benefit both Christ Church and the partnering organization. If you are associated with other organizations, or if you know of a need, please let us know so we can try to arrange events with them.

Back to School Event – Help a Needy Kid!!

This is fun and oh so needed.

Christ Church members have an opportunity to help send needy children to school with a brand new head-to-toe outfit on the first day of school. You may recall that last year 19 of us participated in the Hope Link Back 2 School Partnership, where we each "adopted" a kid and received a tag giving us specific information/sizes, etc. for our adopted kid. We then shopped for that child and returned the clothing to the church, to be distributed by Hope Link at its yearly Back 2 School Event. (As an alternative to shopping, a gift card from Target or Wal-Mart can be donated.)

Marsha Tarte is coordinating this event for Christ Church. Since we had 19 participants last year, we are going out on a limb and committing to helping at least 20 children this year. Those willing to "adopt" kids for this event will get a tag giving the child's name, age, shoe size, clothing size and types of clothing needed.

Please e-mail Marsha at marsha316@cox.net to join in this important event, helping kids start off on the right foot when school starts. Hope Link suggests spending around \$75 for younger students, \$100 for high school, but by shopping sales, the cost can be quite reduced.

Hope Link's event is August 21st; our donations must be at Hope Link by August 17th (Marsha will take care of that). Approximately 1,000 children will be assisted. Central Christian Church supplies backpacks stuffed with school supplies. Churches in the community will be providing the clothing. Please help if at all possible.

Christ Church Episcopal Healing, Visioning & Rector Search A Four-Act Process

Your Input Is Needed and Appreciated!

Christ Church Episcopal is at a “hinge” of its 102-year history in Las Vegas. We have embarked on a four-act process of healing and visioning that will culminate in the calling of a new rector. Many of you have already participated in this process, and we thank you for your input and hope you will continue to contribute. For those individuals who have yet to participate in this process or who are unsure they want to participate, we invite you speak with a Vestry member or one of the Planning Group individuals listed below. We hope you will attend the upcoming events and provide your input to this crucial process.

In order to reacquaint everyone with the process, a brief summary of the four acts and a process chart follows. Members of the Planning Group are available in person, or via telephone or e-mail, to answer your questions regarding this process, and members of the Vestry are also available. **Anyone who wants to be directly involved is invited and encouraged to speak with a member of the Vestry or the Planning Group.**

Act I – Learning the Past: Our Search Consultant, The Rev. L. Ann Hallisey, D. Min., has led the congregation in two sessions where we examined Christ Church's behavior patterns via the congregation's history. We shared stories and charted them out on a timeline and then created a synopsis of this information. This assisted the congregation in seeing patterns of leadership and change over time and how the congregation has responded to challenges and opportunities. The goal is to help the congregation identify leadership/behavior patterns so we can focus on those that work best for the parish and avoid/minimize those that are less effective.

Act II – Assessing the Present: The congregation will complete a Congregational Assessment Tool (CAT) (survey) so the vestry, parish, and new rector will have a clear view of Christ Church at this point in time. The survey's start-up date is currently scheduled for July 24, 2010.

Act III – Imagining the Future: This stage will incorporate the Appreciative Inquiry methodology. The methodology's major assumption is that there is something in every organization that works and that change can occur through analyzing what works and doing more of it. The congregation will gather in the Parish Hall on September 25, 2010 and October 2, 2010 from 9:30 a.m. to 1:00 p.m. to share their stories/experiences of the high moments of where we have been to develop a series of statements that describe the congregation we want to become. Search Consultant Ann Hallisey will facilitate the sessions. Food and beverages will be provided at both Gatherings.

Act IV – Rector Search: The congregation's diligent work in Acts I-III will ultimately be realized in this final act. Search Consultant Ann Hallisey will work closely with the Vestry and Bishop Dan Edwards during this stage. Key components include selecting a Search Committee and training the members in creating a parish profile, interviewing candidates, and presenting a slate of candidates for the Vestry's evaluation/selection as the congregation's next rector. **Anyone** who is interested in being on the Search Committee is encouraged to speak with a Vestry member.

Dates to Remember – Please mark your calendars for these important events and check the Epilog and Christ Church Website (www.christepiscopallv.org) for further details/updates.

CHRIST CHURCH EPISCOPAL HEALING, VISIONING & RECTOR SEARCH - 2010

Because you asked!

Q. What is the Church Assessment Tool©?

A. *The Church Assessment Tool© is an 85 question, online assessment of a congregation that is completed by members of a church. We affectionately call it a CAT-SCAN. It generates a report called Vital Signs©.*

Q. What is the purpose of the Church Assessment Tool©?

A. *Using the Church Assessment Tool© is like taking your church to a doctor, a travel agent, and a tailor. It gives leaders a read-out on the health of the church, a sense of where members think the church should head in the future, and a description of the church as a unique body of people.*

Q. How do church leaders use the Church Assessment Tool©?

A. *Churches find the information provided by the Church Assessment Tool© to be helpful whenever important decisions need to be made. This includes strategic planning, preparing for a pastoral search, deciding about yoking or merging churches, planning for a stewardship or capital campaign, and helping a new pastor understand where to start. Churches also use the Church Assessment Tool© to measure progress or just to get a check-up on how the church is doing.*

Please update your personal member information for the Parish Office's computer. The reason for this omission is because not everyone has given us this information. Please take the time and fill out the questions below and e-mail, or drop them off at the Parish Office. This way we can update your information in our computer system.
