Prayer for Preparation and Support of the Upcoming Search Process

Lord our God - Father, Son, and Holy Spirit – be present with our Planning Group, our Vestry, and our Congregation in the search and selection of a rector for Christ Church. With Your sacred presence, give us the wisdom, discernment and judgment to make the proper call of a priest and pastor to serve the many needs of our congregation and to continue faithfully your ministry at Christ Church. Amen.

Please be involved in the search process by saying this prayer daily.

We're coming to the end of a wonderful opportunity to register confidentially our thoughts about Christ Church Episcopal. On Saturday, Aug 28th the window will close at the end of the day. 103 folks have responded and if you are not one of them, you will have missed the moment of opportunity to participate in the future of Christ Church. By registering your thoughts on the *Church Assessment Tool*®, you make our search process more considerate of YOUR priorities. Each of us have our own hopes and expectations as to the future of Christ Church, please make your hopes and expectations known. If you have not done so please take a moment today to complete the survey.

Desperate Need of Christ Church

We really appreciate those of you who have "kicked in" a little extra to offset the summer utility bills. Your generosity has helped immensely. We are still operating in the red for the year, so if you are able..... Donations have been down for August and, quite frankly, we did not bring in enough to meet our monthly obligations. We have managed to keep the lights on, but barely. Some have suggested not paying some of our obligations. This solution is not acceptable, ethical, and certainly not practical in the long run. Lawsuits cost much more to defend than paying our bills. We are also embarking on several fund raisers, some for specific purposes and some for the general fund. These take time to plan and organize. When you see these events come up, please participate with both your time and your treasure. If you can do neither, offer your prayers for their success.

Healing, Visioning & Rector Search, A Four-Act Process

Your Input Is Needed and Appreciated!

Christ Church Episcopal is at a "hinge" of its 103-year history in Las Vegas. We have embarked on a four-act process of healing and visioning that will culminate in the calling of a new rector. Many of you have already participated in this process, and we thank you for your input and hope you will continue to contribute. For those individuals who have yet to participate in this process or who are unsure they want to participate, we invite you speak with a Vestry member or one of the Planning Group individuals listed below. We hope you will attend the upcoming events and provide your input to this crucial process.

In order to reacquaint everyone with the process, a brief summary of the four acts and a process chart follows. Members of the Planning Group are available in person, or via telephone or e-mail, to answer your questions regarding this process, and members of the Vestry are also available. Anyone who wants to be directly involved is invited and encouraged to speak with a member of the Vestry or the Planning Group.

Act I – Learning the Past: Our Search Consultant, The Rev. L. Ann Hallisey, D. Min., has led the congregation in two sessions where we examined Christ Church's behavior patterns via the congregation's history. We shared stories and charted them out on a timeline and then created a synopsis of this information. This assisted the congregation in seeing patterns of leadership and change over time and how the congregation has responded to challenges and opportunities. The goal is to help the congregation identify leadership/behavior patterns so we can focus on those that work best for the parish and avoid/minimize those that are less effective.

Act II – Assessing the Present: The congregation will complete a Congregational Assessment Tool (CAT) (survey) so the vestry, parish, and new rector will have a clear view of Christ Church at this point in time. The survey's start-up date is currently scheduled for July 24, 2010.

Act III – Imagining the Future: This stage will incorporate the Appreciative Inquiry methodology. The methodology's major assumption is that there is something in every organization that works and that change can occur through analyzing what works and doing more of it. The congregation will gather in the Parish Hall on September 25, 2010 and October 2, 2010 from 9:30 a.m. to 1:00 p.m. to share their stories/experiences of the high moments of where we have been to develop a series of statements that describe the congregation we want to become. Search Consultant Ann Hallisey will facilitate the sessions. Food and beverages will be provided at both Gatherings.

Act IV – Rector Search: The congregation's diligent work in Acts I-III will ultimately be realized in this final act. Search Consultant Ann Hallisey will work closely with the Vestry and Bishop Dan Edwards during this stage. Key components include selecting a Search Committee and training the members in creating a parish profile, interviewing candidates, and presenting a slate of candidates for the Vestry's evaluation/selection as the congregation's next rector. Anyone who is interested in being on the Search Committee is encouraged to speak with a Vestry member.

Dates to Remember – Please mark your calendars for these important events and check the Epilog and Christ Church Website (www.christepiscopallv.org) for further details/updates.
